Nominate an Exceptional Person and Business for the Annual Meeting

Person of the Year

We are reaching out to our Chamber membership for nominations for the prestigious "Person of the Year" award. Our objective is to find a person who is committed to the overall mission of the Chamber of Commerce and who has made a positive impact on our community as a whole.

We ask that you bring our attention to an individual whom you feel is an outstanding citizen by completing this nomination form and returning it to us by October 30. The recipient will be honored at our Annual Meeting in December.

Business of the Year

Presented to the member company which has staying power as an established business, increase in sales as an indication of continued growth, and innovativeness of product or service offered. Some of the criteria considered include employees donating their time and talents to community projects, fundraising, or other activities for the betterment of the entire community.
